Beat the rush to certify your crane operators. It's California law.

We offer CCO training & certification

Global Environmental Networks, Inc. (GENI®) is a certified Disabled Veterans Business Enterprise (DVBE) company focused on providing expert environmental, health, safety, and construction engineering and training services.

At GENI®, we share OSHA's strong commitment to health and safety. We offer the highest level of training for heavy equipment including crane safety. We are recognized by the National Commission for the Certification of Crane Operators (NCCCO) and can help you and your employees become certified crane operators, as required by California law.

3 DAY PREPARATION CLASS FOR THE WRITTEN CCO EXAM

Days 1 & 2: Review & Test on Core Examination,
Domain 1 (site),
Domain 2 (Operations),
Domain 3 (Technical Knowledge), and
Domain 4 (Manufacturers' Load Charts)
Day 3: Timed Exams Typical to Those Provided During the CCO Written Examination

2 DAY PREP FOR THE PRACTICAL OPERATIONAL EXAM

CCO Instructor will set up a sample practical exam site at your location and provide training for the practical exam.
