## OSHA 10 HOUR CONSTRUCTION

[www.SafetyGENI.com](http://www.SafetyGENI.com) • 1-800-230-6944

**Contact the GENI Training Dept. today to check on scheduled class times - or to schedule your own special class. Classes can be held at our Northern and Southern CA training facilities, or your location!**

**This course is designed for construction workers, foremen, job supervisors, and anyone involved in the construction industry.**

OSHA recommends Outreach Training Program courses as an orientation to occupational safety and health for workers. Workers must receive additional training, when required by OSHA standards, on the specific hazards of the job.

### *Course Content:*

- State the purpose of the OSH Act and list the functions of OSHA
- List the OSHA inspection priorities and describe the inspection process
- Describe the rights and responsibilities of employers & employees under the OSH Act
- Understand the requirements for compliance with various construction standards
- Introduction to OSHA
- General Safety & Health Provisions
- Electrical
- Fall Protection
- Personal Protective & Lifesaving Equipment
- Materials Handling, Storage, Use & Disposal
- Hand & Power Tools
- Scaffolds Cranes, Derricks, Hoists, Elevators & Conveyors
- Excavations
- Stairways & Ladders
